

Recommended Timeline for Postgraduate Students to sit the LANTITE Components

First 6 months
Familiarise yourself with the requirements of the tests
Second 6 months
Prepare for the tests and identify a suitable test window for you to sit them during your first year (if possible)
2nd year
Contact the LANTITE Coordinator for advice and support if you have failed a test attempt, address areas of weakness and re-sit the test as soon as possible
OR Prepare for and sit the tests prior to enrolling in your Internship

Please note: only students undertaking Initial Teacher Education Programs are required to complete the LANTITE as a requirement of their course.
