

## Recommended Timeline for Undergraduate Students to sit the LANTITE Components

<b>First year</b>
Familiarise yourself with the requirements of the tests
<b>Second year</b>
Prepare for the tests and identify a suitable test window for you to sit them during your second year
<b>Third year</b>
Contact the LANTITE Coordinator for advice and support if you have failed a test attempt, address areas of weakness and re-sit the test as soon as possible
<b>OR</b> Prepare for and sit the tests as soon as possible
<b>Final year</b>
Contact the LANTITE Coordinator for advice and support if you have failed a test attempt, address areas of weakness and re-sit the test as soon as possible
<b>OR</b> Prepare for and sit the tests prior to enrolling in your Internship

**Please note:** only students undertaking Initial Teacher Education Programs are required to complete the LANTITE as a requirement of their course.
