WELCOME TO PROFESSIONAL EXPERIENCE AT CURTIN UNIVERSITY

We would like to thank you for agreeing to participate in the Professional Experience component of our pre-service teacher education programs. We value your time, commitment and energy and appreciate your efforts to help our students embark on their professional preparation. We anticipate that beginning teachers will find working with children in schools enjoyable and rewarding. Professional experience placements provide opportunities for in-depth exploration of a chosen career, and the chance to trial, apply, reflect on and refine ideas that have been developing throughout each semester of the degree program.

The Professional Experience program is an integral part of the Teacher Education course at Curtin University. The program is based on three major premises: gradual, varied and integrated experiences. Success in Professional Experience is essential for pre-service teachers' professional development and for continuation in the course. Pre-service teachers must satisfactorily complete each stage of the Professional Experience program. Some key points to note:

- It is expected that all pre-service teachers will prepare Lesson Plans and keep observations and reflections. A template is provided to guide these processes; alternatively the format may be negotiated with the Mentor Teacher.
- Absenteeism: Where absence is unavoidable pre-service teachers are required to notify both the School and Curtin University Professional Experience Office **no later than 8:00am on the day concerned**. Pre-service teachers are expected to make up days lost through absenteeism. An Absentee form is provided later in this handbook.
- Please forward all completed forms to the relevant emails listed earlier in this handbook.
- Pre-service teachers must maintain a **Teaching File** as a comprehensive record of the activities and lessons undertaken during professional experience. It is also strongly suggested that a resource file be developed to organise the ideas and resources used during placements.

The information presented in this handbook should answer any questions; alternatively please consult the contact list to speak to someone in person.

School of Education

SIGNIFICANCE OF PROFESSIONAL EXPERIENCE

Success in Professional Experience placements is a fundamental part of the pre-service teacher's professional development and is a **condition for graduation**.

Any pre-service teacher who fails to satisfactorily complete **two consecutive** Professional Experience placements is subject to course termination. Supplementary placements may be provided at the discretion of the School of Education Board of Examiners.

ABSENTEEISM

It is expected that pre-service teachers will at all times assume the professional aspects of the role of a teacher, accepting the constraints of punctuality, co-operation with staff, and concern for the welfare of students. **Where absence is unavoidable, pre-service teachers are required to notify both the School and the Curtin University Professional Experience Office no later than 8.00am on the day concerned.**

Pre-service teachers are expected to make up days lost through absenteeism. An Absentee form is provided in this handbook.

The release of pre-service teachers to deal with outside work or family issues (except unforeseen illness or emergencies) should *not* be granted as pre-service teachers should have made alternative arrangements. However, there *may* be instances where pre-service teachers may need to take a day of leave from the placement. Pre-service teachers should notify their mentor teachers as soon as possible should this occur.

PRE-SERVICE TEACHING FILE

Pre-service teachers must maintain a Teaching File as a comprehensive record of the activities and lessons undertaken during professional experience. **Pre-service teachers should always have their Teaching File up-to-date and accessible for the Mentor Teacher, Principal and Supervisor.** It does not have to be submitted to Curtin. Lesson Plans should be indexed and prepared two or three days in advance. It should contain the following:

- Working with Children Card and any other State requirements
- Curtin Code of Conduct and Insurance Policy Forms
- Professional Experience Handbook
- Plans of lessons undertaken by the pre-service teacher. Plans should indicate the learning area, the group and the date, and be filed in the order in which they were undertaken even when categorised into learning areas.
- Teaching and Learning Resources which have been used.
- Self-reflective comments, together with written comments from the Mentor.

RESOURCE FILE

Pre-service teachers will accumulate many ideas and resources. In order to organise these, it is requested that each pre-service teacher creates a resource file. There is no prescribed format for this, however, it is expected that a system be developed to classify resources so that they are readily identifiable and accessible. This may be in hard copy or an electronic file and **should be available to a Mentor Teacher and Supervisor on request** and include as much information as possible about resources such as the original source for future referencing.

The following list is a guide to the many types of resources which could be included.

- **Book Lists.** Children's books and reading schemes and the level for which they are suited,
- **Songs, dances, singing games and music. Poetry and stories,**
- **Curriculum experiences/ideas.** Energisers, self-esteem games. Ideas for all learning areas,
- **Other Resources.** Curriculum resources that may be purchased, such as sporting equipment and computer software. Ideas for charts, rosters, routines, rules, room arrangements and so on, that may be adapted for use in your own work place,
- **Administrative Resources.** Individual Education Plans (IEP). Bullying Policy/Excursion Policies, Sample Letters, Booklets (parent information/staff handbook),
- **Web sites and other electronic resources.**

OVERVIEW OF PROFESSIONAL EXPERIENCE PLACEMENTS

The Master of Teaching Course has four Professional Experience placements, which are essential components of the course and are planned to integrate the pre-service teachers' studies with practical learning experiences. The placements also provide opportunities for our pre-service teachers to gather evidence against each of the Australian Professional Standards for Teachers.

The number of days and position of the placement within the program is detailed in the table below. All placements are to be conducted in a **block full-time** mode. Each placement is focused on the development of the students' professional practice plus identified specific focus areas. These have been developmentally planned to assist the students build a repertoire of professional practice skills. This culminates in their fourth placement that has a focus on the **transition into the profession**. This period is designed to provide teaching experiences culminating with major responsibility for a class of students.

During the Professional Experience placement, pre-service teachers are expected to maintain well organised and detailed records of planning and evaluation in their indexed and neatly organised teaching files. Please ensure that the files are up-to-date and readily accessible for review by Supervisor(s) and Mentor Teacher(s).

The table below provides a summary of the timing; length of placement and the location within the course for the four Professional Experience placements. The Professional Experience placement is situated within a unit of work, which has an overall theme or focus area. This information is to provide guidance on the expected range of skills, content knowledge and anticipated abilities of students.

FIRST PLACEMENT (ANNUAL)

The pre-service teacher is completing their **first** Professional Experience in a School.

The first Professional Experience involves a **two-week full time block** placement. This is an **annual placement** as pre-service teachers will **return to the same school and classroom in the same year**, and they are encouraged to continue to visit and volunteer between the placements to become a part of the school community.

Emphasis during the first placement is on helping pre-service teachers to relate successfully to children in small groups and on an individual basis, developing basic skills and knowledge as a novice teacher, and gaining an understanding of the role of the teacher.

SECOND PLACEMENT (ANNUAL)

The pre-service teacher is completing their **second** Professional Experience in a School.

In the second placement, pre-service teachers will have a **three-week full time block** placement in the same school as the first placement. The focus for this professional experience is creating and managing a positive learning environment.

OUTLINE OF THE FIRST PROFESSIONAL EXPERIENCE

All placements are attached to a course work unit which has other assessable components. The first Professional Experience placement is associated with the unit:

MTP502 Primary Professional Experience 1: Planning

The first Professional Experience for Master of Teaching (Primary) pre-service teachers involves a **two-week full time block period**. Pre-service teachers are expected to accompany the Mentor Teacher throughout the day and involve themselves as much as possible in all school activities and administrative duties. Pre-service teachers are to become aware, through discussion and observation, of the varied nature of the teacher's role.

Emphasis is on helping pre-service teachers to relate successfully to children in **small groups and the whole class** and to integrate the pre-service teachers' studies with practical learning experiences.

During this period, pre-service teachers are given the opportunity to plan, prepare, and teach lessons to a group, then progress to the whole class when suitable and as negotiated with the Mentor Teacher.

At the completion of this placement each pre-service teacher will have begun to develop:

- Some effective communication skills and working relationships with children and adults;
- Some effective classroom teaching and learning processes through observation, reflection and interaction, making links between theory and practice;
- Some skills in planning, teaching and evaluation of a variety of learning experiences appropriate for individuals, small groups and possibly, the whole class;
- Some skills in observing and reflecting on teaching and learning processes.

It is anticipated that, at the completion of the placement, each pre-service teacher will be able to confirm their commitment to become a teacher of children of primary school ages.

SUPERVISION AND CONTACT

A Supervisor will formally visit the pre-service teacher **once** during the two week period and will also provide a report. **It is the pre-service teacher's responsibility to meet the Supervisor to negotiate the day and time of the visit.**

Mentor Teachers, Supervisors and/or Principals are asked to alert the Curtin Professional Experience Administration as soon as possible during the placement if they have any concerns that might indicate that a pre-service teacher is **At Risk** of not passing the Professional Experience.

ASSESSMENT

During the two week placement, the Mentor teacher is asked to complete the relevant Assessment Form, see pages 21 – 32 for assessment criteria.

Pre-service teachers at this level are graded as **Pass** or **Fail**. The assessment form includes a number of areas that the pre-service teacher is expected to develop in during the placement. Still requiring development in a few areas does not preclude an overall grade of Pass assessment.

The contents of the assessment form should be discussed with and **signed off by the pre-service teachers**. Copies of these reports will be sent to Mentor teachers or can be obtained electronically by contacting: hum-ed-ouaprac@curtin.edu.au or fax 9266 2547.

PLANNED TEACHING FOR THE FIRST PROFESSIONAL EXPERIENCE

Pre-service teachers will observe the many roles of the teacher and have opportunities to experience success in their initial teaching efforts. It would be appreciated if mentor teachers could take every opportunity to discuss with the pre-service teachers the preparation, organisation, and presentation of learning experiences appropriate to the primary setting.

Lesson plans need to be submitted in advance and evaluations submitted the following day. Plans should be professionally presented in the **Teaching File in chronological order** and be available for the Mentor Teacher, School Principal/Coordinator and Supervisor at all times.

A pre-service teacher’s development in the observation, reflection, and interpretation of a variety of teaching and learning processes is instrumental in becoming a competent teacher. It would be appreciated if mentor teachers could offer opportunities for pre-service teachers to observe children in a variety of classroom settings.

Preparatory visits by Pre-service Teachers (*before* the Professional Experience begins).

The purpose of these visits is to discuss professional experience requirements with the Mentor Teacher and to observe the class and routines. If possible, a broad outline of possible lessons should be given to the pre-service teachers so that planning can begin. As far as possible, lessons taught by a pre-service teacher should be linked to allow for purposeful reflection, as opposed to single lessons in a wide range of learning areas.

	Pre-Service Teacher
Week 1	<ul style="list-style-type: none"> • Compile at least 6 lesson observations, using the Observation Proforma in this Handbook. • Plan, teach, and evaluate at least 3 fully-prepared short lessons with groups of students. Submit the lesson plan to the Mentor Teacher at least 24 hours prior to the scheduled teaching. Use the Lesson Plan Template provided in the coursework OR an alternative format at the request of the Mentor Teacher.
Week 2	<ul style="list-style-type: none"> • Plan, teach, and evaluate at least one whole class fully-prepared lesson each day. Submit the lesson plan to the Mentor Teacher at least 24 hours prior to the scheduled teaching. Use the Lesson Plan Template provided in the coursework OR an alternative format at the request of the Mentor Teacher.

ASSESSMENT INFORMATION FOR MENTOR TEACHERS – FIRST PROFESSIONAL EXPERIENCE

Prior to the conclusion of the placement, the Mentor Teacher is asked to complete the Professional Experience Assessment Form.

The Professional Experience Assessment Form is based on the **Australian Professional Standards for Teachers** at the **Graduate** career stage and the Professional Experience **Code of Conduct**.

The Professional Experience Code of Conduct outlines the professional behaviour requirements and responsibilities of pre-service teachers. The Professional Experience Assessment Form focuses on demonstration of the following aspects of professionalism: punctuality; personal presentation; initiative; respect for the school's vision, values, mission and approaches; plans submitted to the mentor teacher at least 24 hours prior to the lesson; reflective practice; and participation in other duties. These aspects will be awarded one of the following ratings: **Above Satisfactory** or **Satisfactory** or **Insufficient Opportunity** or **Unsatisfactory**, a general comment on the pre-service teacher's professionalism will be included.

Each of the Australian Professional Standards for Teachers at the Graduate career stage and their focus areas will be awarded a **Competent** or **Not Yet Competent** rating along with a general comment for each standard. It is expected that pre-service teachers will be able to show some progress in each of the standards. If the pre-service teacher does not have an opportunity to demonstrate a standard focus area, an explanation should be provided in the appropriate Comment section.

The ratings for professionalism and the standards should take into consideration the pre-service teacher's level of the professional experience unit, that is, where this unit is positioned in the course. The Professional Experience Handbook provides information in regards to where each unit is situated in the course. Please note that the Professional Experience Assessment Form should be completed in relation to the level of this professional experience unit. Ratings awarded in this professional experience may be different from previous and subsequent professional experience units depending where they are situated within the course structure.

The Professional Experience Assessment Form then requires final overall recommendation and commendation comments and a final result. The final result is a **Pass** or **Fail** awarded for the overall assessment of the pre-service teacher in this professional experience placement.

The Mentor Teacher is requested to discuss the Professional Experience Assessment Form and process with the pre-service teacher. It is recommended that this discussion identifies strengths that the pre-service teacher has demonstrated in the classroom and the aspects that require attention, with ideas about how to improve these.

RETURN OF FORMS

Please complete the assessment form PRIOR to the conclusion of the 10 days.

Curtin assessment forms are now electronic with the aim of making the assessment process easier and more convenient. Mentor Teachers will have received or can receive an email with an Edit Link for you to automatically complete and submit the assessment form directly to the Curtin School of Education. Once submitted the student will then have access to the report (read-only) and will submit the same document back to the Curtin School of Education.

If you would prefer an editable pdf document, please email hum-ed-ouaprac@curtin.edu.au
If you use an editable pdf document, it would be much appreciated if a copy of the completed assessment form be given to the pre-service teachers when they leave the school and a copy forwarded to hum-ed-ouaprac@curtin.edu.au or fax 9266 2547.

ASSESSMENT INFORMATION FOR THE FIRST PROFESSIONAL EXPERIENCE: SUPERVISORS

A Supervisor **apart** from the Mentor Teacher provides an additional viewpoint on the pre-service teacher's progress. Rather than working closely with the pre-service teacher over time, as the Mentor Teacher does, the Supervisor takes more of a "snapshot" of their progress by observing one or two lessons.

A Supervisor will formally visit the pre-service teacher **once** during the two week period and will also provide a report. **It is the pre-service teacher's responsibility to meet the Supervisor to negotiate the day and time of the visit.**

The handbook has details of what is required by all parties, including the pre-service teacher, and the Supervisor. It is recommended that you follow the observation and feedback approach outlined in the handbook. You should also be able to view the Teaching File and Resources of the pre-service teacher.

It would be helpful if you take detailed notes during your visit and then summarise these into the Supervisor Assessment Form. **Please give a copy of this form to the pre-service teacher, retain a copy for your records and send one to the Professional Experience Administration.**

RETURN OF FORMS

OUTLINE OF THE SECOND PROFESSIONAL EXPERIENCE

In the Second Professional Experience, pre-service teachers will have a **three week full- time block placement in the same year and in the same school as their first experience** (in exceptional circumstances this may not be possible and alternative arrangements will be made). The second Professional Experience placement is associated with the unit:

MTP 506 Primary Professional Experience 2: Assessment and Reporting

Pre-service teachers are expected to **formally visit their allocated schools before** the placement and are encouraged to return on a voluntary basis if possible after the three weeks.

Pre-service teachers are expected to accompany the Mentor Teacher throughout the day and involve themselves as much as possible in all school activities and administrative duties so they become increasingly aware, through discussion and observation, of the varied nature of the teacher's role. During the placement, pre-service teachers are given the opportunity to plan, prepare, and teach lessons to a group, then progress to the whole class when suitable and as negotiated with the Mentor Teacher.

The pre-service teachers are expected to continue to maintain their Teaching File.

SUPERVISION AND CONTACT

A Supervisor will formally visit the pre-service teacher once during the three week period and will also provide a report. **It is the pre-service teacher's responsibility to meet the Supervisor to negotiate the day and time of the visit.**

Mentor Teachers, Supervisors and/or Principals are asked to alert Curtin Professional Experience Administration as soon as possible during the placement if they have any concerns that might indicate that a pre-service teacher is At Risk of not passing the Professional Experience.

ASSESSMENT

Pre-service teachers are assessed by both their Mentor teacher and an additional independent supervisor. During the three week placement, the Mentor teacher is asked to complete the relevant Assessment Forms, see pages 21 – 32 for assessment criteria.

Pre-service teachers at this level are graded as **Pass** for this level or **Fail**. The contents of this form should be discussed with and signed off by the pre-service teacher. Copies of the reports will be sent to mentor teachers or can be obtained electronically by contacting the Office of Professional Experience – see earlier in this handbook. It is not necessary for every descriptor in the assessment form to be fully achieved for an overall grade of Pass to be given.

The contents of the assessment form should be discussed with and **signed off by the pre-service teachers**. Copies of these reports will be sent to Mentor teachers or can be obtained electronically by contacting: hum-ed-ouaprac@curtin.edu.au

PLANNED TEACHING FOR THE SECOND PROFESSIONAL EXPERIENCE

It is intended that pre-service teachers will observe the many roles of the Mentor Teacher and continue to have opportunities to experience success in their teaching efforts.

The requirements for this placement are shown in the table:

	Pre-service Teacher
Week 1	<p>Day one: Observation and preparation.</p> <p>Remainder of week one, pre-service teachers should:</p> <ul style="list-style-type: none"> • Become familiar with all aspects of the classroom routines • Assist the Mentor Teacher when not engaged in other duties • Plan, teach and evaluate approximately 3 lessons per day, or 12 to 15 hours teaching per week • Write full lesson plans for week 2 (see Lesson Plan Template as a suggested format) in collaboration with the Mentor Teacher
Week 2	<p>In week two, pre-service teachers should:</p> <ul style="list-style-type: none"> • Plan, teach and evaluate approximately 3-4 lessons per day, or 12 to 16 hours teaching per week • Reflect on their teaching practice • Assist the Mentor Teacher when not engaged in other duties • Write full lesson plans for week 3 (see Lesson Plan Template as a suggested format) in collaboration with the Mentor Teacher

ASSESSMENT INFORMATION FOR MENTOR TEACHERS AND SUPERVISORS – SECOND PROFESSIONAL EXPERIENCE

Prior to the conclusion of the placement, the Mentor Teacher is asked to complete the Professional Experience Assessment Form and the Supervisor to complete a modified version of this form.

The Professional Experience Assessment Form is based on the **Australian Professional Standards for Teachers** at the **Graduate** career stage and the Professional Experience **Code of Conduct**.

The Professional Experience Code of Conduct outlines the professional behaviour requirements and responsibilities of pre-service teachers. The Professional Experience Assessment Form focuses on demonstration of the following aspects of professionalism: punctuality; personal presentation; initiative; respect for the school's vision, values, mission and approaches; plans submitted to the mentor teacher at least 24 hours prior to the lesson; reflective practice; and participation in other duties. These aspects will be awarded one of the following ratings: **Above Satisfactory** or **Satisfactory** or **Insufficient Opportunity** or **Unsatisfactory**, a general comment on the pre-service teacher's professionalism will be included.

Each of the Australian Professional Standards for Teachers at the Graduate career stage and their focus areas will be awarded a **Competent** or **Not Yet Competent** rating along with a general comment for each standard. It is expected that pre-service teachers will be able to show some progress in each of the standards. If the pre-service teacher does not have an opportunity to demonstrate a standard focus area, an explanation should be provided in the appropriate Comment section.

The ratings for professionalism and the standards should take into consideration the pre-service teacher's level of the professional experience unit, that is, where this unit is positioned in the course. The Professional Experience Handbook provides information in regards to where each unit is situated in the course. Please note that the Professional Experience Assessment Form should be completed in relation to the level of this professional experience unit. Ratings awarded in this professional experience may be different from previous and subsequent professional experience units depending where they are situated within the course structure.

The Professional Experience Assessment Form then requires final overall recommendation and commendation comments and a final result. The final result is a **Pass** or **Fail** awarded for the overall assessment of the pre-service teacher in this professional experience placement.

The Mentor Teacher and Supervisor are requested to discuss the Professional Experience Assessment Form and process with the pre-service teacher. It is recommended that this discussion identifies strengths that the pre-service teacher has demonstrated in the classroom and the aspects that require attention, with ideas about how to improve these.

RETURN OF FORMS

Please complete the assessment form PRIOR to the conclusion of the 15 days.

Electronic Forms

Curtin assessment forms are now electronic with the aim of making the assessment process easier and more convenient. Mentor Teachers will have received or can receive an email with an Edit Link for you to automatically complete and submit the assessment form directly to the Curtin School of Education. Second Professional Experience Placement Report:

A Supervisor **apart** from the Mentor Teacher provides an additional viewpoint on the pre-service teacher's progress. Rather than working closely with the pre-service teacher over time, as the Mentor Teacher does, the Supervisor takes more of a "snapshot" of their progress by observing one or two lessons.

A Supervisor will formally visit the pre-service teacher **once** during **week two of the placement** and, as you will see in the handbook, the pre-service teacher is expected to meet with you to establish a mutually acceptable time for this visit. This visit gives the pre-service teacher time to work with the class but also time should you feel the need to undertake a second visit. This would only occur if there were serious concerns about the pre-service teacher.

The handbook has details of what is required by all parties, including the pre-service teacher, and the Supervisor. It is recommended that you follow the observation and feedback approach outlined in the handbook. You should also be able to view the Teaching File and Resources of the pre-service teacher. The Supervisor Assessment Form in this handbook indicates some of the expectations of this placement although clearly you would not be expected to see all of these in one teaching session.

It would be helpful if you take detailed notes during your visit and then summarise these into the Supervisor Assessment form. **Please give a copy of this form to the pre-service teacher, retain a copy for your records and send one to the Professional Experience Administration.**

RETURN OF FORMS

Please complete the assessment form PRIOR to the conclusion of the 15 days.

Electronic Forms

Curtin assessment forms are now electronic with the aim of making the assessment process easier and more convenient. Supervisors will have received or can receive an email with an Edit Link for you to automatically complete and submit the assessment form directly to the Curtin School of Education. Once submitted the student will then have access to the report (read-only) and will submit the same document back to the Curtin School of Education.

If you would prefer an editable pdf document, please email hum-ed-ouaprac@curtin.edu.au
If you use an editable pdf document, it would be much appreciated if a copy of the completed assessment form be given to the pre-service teachers when they leave the school and a copy forwarded to hum-ed-ouaprac@curtin.edu.au or fax 9266 2547.

STUDENTS 'AT RISK'

Most pre-service teachers continue to develop and progress satisfactorily during the course of their placement. Occasionally a mentor teacher will have serious concerns.

At Risk is the term used to signify that the pre-service teacher is failing to make progress towards meeting the competencies and the required professional behaviour and skills at a level normally expected of pre-service teacher at their stage of professional learning.

If you have a pre-service teacher who you consider is At Risk of failing then please be guided by the following steps:

- Please contact the Professional Experience Office OR Unit Coordinator for guidance upon initiating an At Risk procedure. The contact details are at the front of this handbook.
- At Risk procedures can be commenced at any point during a placement, but ideally with sufficient time for the Pre-Service Teacher to demonstrate improvement in the specified areas.
- At Risk is an opportunity for the pre-service teacher, mentor teacher and supervisor to discuss progress, identify areas for improvement and to set out aspects that need to be improved if the placement is to be completed successfully. Please use the At Risk forms to guide this process.
- The completed At Risk forms should be signed by the pre-service teacher, mentor and supervisor. Everyone should keep a copy of this form, and a completed copy should be forwarded to the Professional Experience Team.
- After 5 working days, the Mentor Educator, Supervisor, and the Pre-Service Teacher meet to complete the second form and at this meeting a decision is made to continue the placement as the Pre-Service Teacher has demonstrated sufficient improvement in the identified areas OR the placement is terminated and the student fails the placement.
- This form is also submitted to the Professional Experience office.
- The At Risk process is not an automatic fail, it is a process to help the pre-service teacher, mentor and supervisor identify aspects that need improving and provide the pre-service teacher with an opportunity to improve their practices in order to pass their placement.
- This form is also submitted to the Professional Experience office.

Or

Under Section 7.7 (7.7.2) of the Curtin Fieldwork Education Policy, if a student is terminated by the School or terminates themselves from their placement, they will be deemed as failing the unit.
